Senior Expert on behalf of adelphi consult GmbH in the project "Sustainable Industrial Development – Environmental Improvement in industries". Within this project companies in the regions Delhi, Vapi and Haridwar are analysed for potentials in resource efficiency and guided in implementation of efficiency measures.

2017

Austria

Consultant in building up Environmental Management System EMAS at CC4Remarketing GmbH.

Trainer and consultant in a regional Cleaner Production program (ECOBUSINESS VIENNA) in Vienna (5 companies).

Energy consultant in the course of a consulting programme on energy efficiency and renewable energy of The Lower Austrian Economic Chamber on behalf of Vienna Engineers.

Coach and internal auditor in the course of management system audits at Haus des Meeres Betriebs GmbH, Porsche Holding GmbH, TLBS GmbH, Peter Blau GmbH and J. Schneeberger GmbH.

Consultant for energy efficiency and waste management at DSG Styria, tennis court Mariatrost/Graz.

Consultant for waste and resource management at Moldan Baustoffe GmbH & Co KG on behalf of umwelt service salzburg.

Consultant for waste and resource management as well as resource efficiency at GS Altotec GmbH on behalf of umwelt service salzburg.

India

Senior Expert on behalf of adelphi consult GmbH in the project "Sustainable Industrial Development – Environmental Improvement in industries".

2016

Austria

Consultant in building up Environmental Management System ISO 14001 at Electroplast GmbH.

Trainer and consultant in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (8 companies).

Energy auditor in the course of energy audits according to Austrian energy efficiency law at Festo GmbH on behalf of Vienna Engineers.

Energy consultant in the course of a consulting programme on energy efficiency and renewable energy of The Lower Austrian Economic Chamber on behalf of Vienna Engineers.

Coach and internal auditor in the course of ISO 50001 audits at Porsche Holding GmbH and Volkswagen Group Retail Deutschland GmbH.

Coach and internal auditor in the course of management system audits at TLBS GmbH, Danfoss GmbH and J. Schneeberger GmbH.

International

Senior Expert on behalf of Holzcluster Styria on resource and energy efficiency in the 7th framework project RERAM. RERAM is an international cooperation project in the field of climate protection, resource efficiency and raw materials. It is one of the few FP7-INCO projects addressing the forest-based sector (forestry, woodworking, furniture, paper, bioenergy). The main objective is to reinforce cooperation and coordination of research and technological innovation between the EU and countries of the European Neighbourhood Policy programme especially in Eastern Europe.

India

Senior Expert on behalf of STENUM Asia Sustainable Development Society in the project "UNIDO ACMA partnership programs". In this project consultants of Indian automotive suppliers are trained in terms of resources and energy efficiency.

2015

Austria

Consultant in building up Integrated Management System (ISO 9001, ISO 50001 and ISO 14001) at Peter Blau GmbH.

Consultant in building up Integrated Management System (ISO 50001 and ISO 14001) at Haus des Meeres Betriebs GmbH.

Trainer and consultant in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (5 companies).

Energy auditor in the course of energy audits according to Austrian energy efficiency law at DIC Group, bakery Sorger, GSK and Kinderfreunde Wien on behalf of Vienna Engineers.

International

Senior Expert on behalf of Holzcluster Styria on resource and energy efficiency in the 7th framework project RERAM.

India

Senior Expert on behalf of STENUM Asia Sustainable Development Society in the project "UNIDO ACMA partnership programs".

2014

International

Senior Expert on behalf of Holzcluster Styria on resource and energy efficiency in the 7th framework project RERAM.

India

Senior Expert on behalf of STENUM Asia Sustainable Development Society in the project "UNIDO ACMA partnership programs".

Project record in the context of gme consulting

2014

Austria

Consultant in building up Integrated Management System (ISO 50001, ISO 14001 and OHSAS 18001) at TeroLab Surface GmbH.

Consultant in building up Integrated Management System (ISO 9001, ISO 50001 and ISO 14001) at Peter Blau GmbH.

Consultant in building up an energy management system (ISO 50001) at Moser Wurst GmbH on behalf of Edtmayer Systemtechnik GmbH.

Consultant in building up Integrated Management System (ISO 50001 and ISO 14001) at Haus des Meeres Betriebs GmbH.

Trainer in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (8 companies).

Project record in the context of STENUM

2013

China

Trainer and senior expert in a Train the Trainer program for local consultants in Shenzhen with the focus on Cleaner Production and Energy Efficiency in Textile industries. Consultation of 5 textile companies with the focus on resource and energy efficiency increase

India

"Sustainable production through market penetration of closed loop technologies in the metal finishing industry" – ACIDLOOP

Senior expert on Cleaner Production and Energy Efficiency: Training program for the metal finishing industries in National Capital Region, Chandigarh, Pune, Aurangabad, Ahmedabad, Vadodara, Rajkot, Chennai, Bangalore, Hosur. Specifically the 4-year action aims to introduce technology innovation as well as resource efficiency in the metal finishing companies (SMEs) that would lead to improved environmental quality and combat pollution through advanced water treatment measures and energy efficient processes.

Philippines

"Creating Green Philippines Island of Sustainability" - GPIoS

Senior expert: Training program for the industries in Metro Manila and CALABARZON region on Philippines on Preventive Environmental Protection following the ECOPROFIT Approach (4 year project involving workshops and individual consulting in cleaner production, water conservation, energy efficiency, and environmental management in 500 industries)

Austria

Consultant in building up Integrated Management System (ISO 9001 + 14001) in one company

Trainer in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (13 companies)

Consultant in a regional project to increase resource efficiency in an industrial park in Vienna

2012

China

Trainer and senior expert in a Train the Trainer program for local consultants in Shenzhen with the focus on Cleaner Production and Energy Efficiency in Textile industries. Consultation of 5 textile companies with the focus on resource and energy efficiency increase

India

"Sustainable production through market penetration of closed loop technologies in the metal finishing industry" – ACIDLOOP

Mongolia

"Green Products Development and Labelling in Mongolia"

Senior expert: Program on introducing Green Products development and Eco Labelling to locally produced products in Mongolia in order to reduce the environmental impacts, strengthen Mongolian standards on sustainability and enhance production and sales.

Philippines

"Creating Green Philippines Island of Sustainability" - GPIoS

Austria

Consultant in building up Integrated Management System (ISO 9001 + 14001) in one company

Trainer in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (13 companies)

Consultant in a regional project to increase resource efficiency in an industrial park in Vienna

Consultant for Intercontinental Hotel Vienna for implementation of Austrian Ecolabel for Tourism

2011

Mongolia

"Green Products Development and Labelling in Mongolia"

Philippines

"Creating Green Philippines Island of Sustainability" - GPIoS

Europe

Expert for development & implementation of a UNEP-DTI/UNIDO Toolkit for Resource Efficiency for trainers and targeted SMEs – PRE-SME

Austria

Consultant in building up Environmental Management System (ISO 14001) in one company

Consultant in 2 potential analysis in Lower Austria

Consultant in Material Flow Analysis at governmental district for Local Government of Lower Austria

Trainer in a regional Cleaner Production program (ECOBUSINESSPLAN) in Vienna (20 companies)

2010

Mongolia

"Green Products Development and Labelling in Mongolia"

Philippines

"Creating Green Philippines Island of Sustainability" - GPIoS

Europe

Expert for development & implementation of a UNEP-DTI/UNIDO Toolkit for Resource Efficiency for trainers and targeted SMEs – PRE-SME

Austria

Consultant in 3 potential analysis in Lower Austria

Consultant in Material Flow Analysis at governmental district for Local Government of Lower Austria

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (10 companies)

Trainer in a regional Cleaner Production program (ECOPROFIT) in Upper Styria (8 companies)

2009

Mongolia

"Green Products Development and Labelling in Mongolia"

Philippines

"Creating Green Philippines Island of Sustainability" - GPIoS

GREENPHILIPPINES:

Senior expert: Training programme for the industries in Clark and Subic, Pampanga on Philippines on Preventive Environmental Protection following the ECOPROFIT Approach (3 year project involving 5 workshops and individual consulting in cleaner production, water conservation, energy efficiency, and environmental management in 30 industries)

Europe

SOILCY - New sustainable compressor oil production and use. Towards a long eco-efficient life cycle (6th FP): Expert for Life Cycle Assessment of the new developed sustainable compressor oil.

Expert for development & implementation of a UNEP-DTI/UNIDO Toolkit for Resource Efficiency for trainers and targeted SMEs

Austria

Consultant in building up Environmental Management System in one company

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (7 companies)

Trainer in a regional Cleaner Production program (ECOPROFIT) in Upper Styria (8 companies)

2008

Philippines

GREENPHILIPPINES

Europe

SOILCY - New sustainable compressor oil production and use. Towards a long eco-efficient life cycle (6th FP): Expert for Life Cycle Assessment of the new developed sustainable compressor oil

Austria

Consultant in building up Environmental Management System in one company

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (25 companies)

2007

Philippines

GREENPHILIPPINES

Europe

SOILCY - New sustainable compressor oil production and use. Towards a long eco-efficient life cycle (6th FP): Expert for Life Cycle Assessment of the new developed sustainable compressor oil

Austria

Consultant in building up Environmental Management System in one company Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (10 companies)

2006

China

Trainer in a regional Cleaner Production program (ECOPROFIT) in Panzihua (9 companies)

Europe

SOILCY - New sustainable compressor oil production and use. Towards a long eco-efficient life cycle (6th FP): Expert for Life Cycle Assessment of the new developed sustainable compressor oil

Austria

Consultant in building up Environmental Management System in one municipality

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (10 comp.)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (12 municipalities)

2005

India

ASIA PRO ECO ECOPROFIT GURGAON:

Senior expert: Training programme for the industries in Gurgaon, Haryana in India on Preventive Environmental Protection following the ECOPROFIT Approach (3 years project involving workshops and individual consulting in cleaner production, water conservation, energy efficiency, and environmental management in 20 industries)

China

Trainer in a regional Cleaner Production program (ECOPROFIT) in Panzihua (9 comp.)

Europe

SOILCY - New sustainable compressor oil production and use. Towards a long eco-efficient life cycle (6th FP): Expert for Life Cycle Assessment of the new developed sustainable compressor oil

Austria

Consultant in building up Environmental Management System in one municipality

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (16 comp.)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (13 municipalities)

2004

India

ASIA PRO ECO ECOPROFIT GURGAON

Austria

Consultant in building up Environmental Management System in one municipality

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (11 companies)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (10 municipalities)

2003

India

ASIA PRO ECO ECOPROFIT GURGAON

Austria

Consultant in building up Integrated Management Systems in one company: Marienhütte (steelworks)

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (6 companies)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (30 municipalities)

Environmental Potential Analysis for 1 school, 1 town hall and 1 building centre

2002

India

ASIA INVEST TECHNICAL ASSISTANCE:

Senior expert: Training programme for the industries in Gurgaon, Haryana in India on Preventive Environmental Protection following the ECOPROFIT Approach (one year project involving 8 workshops and individual consulting in cleaner production, water conservation, energy efficiency, and environmental management in 15 industries)

Austria

Consultant in building up Integrated Management Systems in two companies: PRIMANIT (production of insulating materials) and BAUMANN (production of textiles)

Consultant in energy, water consumption, waste minimisation concept for ISOVOLTA

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (6 companies)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (30 municipalities)

Environmental Potential Analysis for 3 schools, 3 town halls and 3 building centre

2001

Austria

Consultant in building up Integrated Management Systems in one company: PRIMANIT (production of insulating materials)

Consultant in energy, water consumption, waste minimisation concept for ISOVOLTA

Trainer in a regional Cleaner Production program (ECOPROFIT) in Vienna (9 companies)

Trainer in a regional program (CO₂ reduction) for municipalities in Lower Austria (30 municipalities)

2000

Austria

Key action management: Technical advisor on behalf of the Austrian government accompanying companies and institutions interested in submitting a proposal to the 5th Framework Program of EU, research program "GROWTH" (commissioned by the Austrian Ministry of Transport, Innovation and Technology, former Ministry of Science and Transport)

Consultant in building up Integrated Management Systems (quality (ISO 9001), environment (ISO 14001/EMAS), health and safety) in 4 companies: Johann Pengg AG (metal industry), Ing. Josef Herk (panel beater), Josef Eberle KG (printery), Puntigam Brewery

1999

Austria

Consultant in building up Integrated Management Systems in 3 companies: Eloxal Heuberger (metal industry), Mercedes Himler (car repair and trade), Gebrüder Weinlich (plumber)

Consultant in building up Environmental Management Systems in 3 companies: Hirt Brewery, NISSAN Spes (car repair and trade), Ing. Schelkshorn (trading comp.), Ing. Bohinc (building company)

Trainer in regional Cleaner Production programs for different Austrian cities (ECOPROFIT): Graz, Feldbach

Consultant in technical optimization in 2 companies: Austria Email (metal industry), Zellstoff Pöls AG (paper mill)

Hungary

Consultant in technical optimization Sopron Brewery

1998

Austria

Consultant in building up Environmental Management Systems in 2 companies: Neckermann Versand (mail order comp.), Hirschmann Reinmetall Elektronik (electronic ind.)

Assistance in the EU financed research project „SUDECIR: Sustainable Development of European Cities and Regions - A Concept for Local Actors"

Trainer in regional Cleaner Production programs for different Austrian cities (ECOPROFIT): Graz, Feldbach

Hungary

Assistance in building up Environmental Management Systems in 2 companies: Nagykanizsa Brewery, Babolna Rt. (fodder ind.)

1997

Austria

Assistance in the EU financed research project CLEAN (ALTERNER)

Czech Republic

Assistance in introduction of an EMS for Znovin (winery)

Hungary

Consultant in water consumption minimisation concept for DUNAPACK Rt. (paper mill)

1996

Hungary

Consultant in building up an Integrated Management System in DUNAPACK Rt. (paper mill)
